

LABSTATS COOKIE POLICY

What are cookies ?

Cookies are small text files that are used to store small pieces of information. The cookies are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make the website more secure, provide better user experience, and understand how the website performs and to analyze what works and where it needs improvement.

How do we use cookies ?

As most of the online services, our website uses cookies first-party and third-party cookies for a number of purposes. The first-party cookies are mostly necessary for the website to function the right way, and they do not collect any of your personally identifiable data.

The third-party cookies used on our websites are used mainly for understanding how the website performs, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you, and all in all providing you with a better and improved user experience and help speed up your future interactions with our website.

What types of cookies do we use ?

Essential: Some cookies are essential for you to be able to experience the full functionality of our site. They allow us to maintain user sessions and prevent any security threats. They do not collect or store any personal information.

Statistics: These cookies store information like the number of visitors to the website. This data help us understand and analyze how well the website performs and where it needs improvement.

The information stored in these cookies may also be used by third-party ad providers to show ads on other websites.

Functional: These are the cookies that help certain non-essential functionalities on our website. These functionalities include embedding content like videos or sharing contents on the website on social media platforms.

Preferences: These cookies help us store your settings and browsing preferences like language preferences so that you have a better and efficient experience on future visits to the website.

For further information on how we use, store and keep your personal data secure, see our Privacy Policy. Your consent applies to the labstats.com domains/subdomains.

How can I control the cookie preferences ?

Different browsers provide different methods to block and delete cookies used by websites.

You can change the settings of your browser to block/delete the cookies. To find out more out more on how to manage and delete cookies, visit www.allaboutcookies.org.
