**Concurrent Utilization of Installed Capacity (%)**

**Application Usage**

Application	Peak User Count (#)	Current Application Install Count (#)	Application Utilization (%)
Acrobat	6	403	1.49%
Adobe Premiere Pro CC	3	414	0.72%
Adobe After Effects CC	2	434	0.46%
PhotoShop CC	2	453	0.44%
Adobe Media Encoder	1	396	0.25%
Adobe Prelude	1	427	0.23%
Adobe Illustrator	1	434	0.23%
Adobe Audition CC	1	435	0.23%
Adobe InDesign CC	1	444	0.23%
Adobe Character Animator	1	463	0.22%
Adobe Animate		486	
Adobe Digital Editions		2	
Adobe Dreamweaver		127	

**APPLICATION INSTALL COUNTS**

Install counts are updated daily and represent the software that is installed right now. Software installed using the Windows Sandbox is not currently detected as it exists within a protected location on the computer (a future workaround is being investigated). This includes software installed from the Windows Store and Universal Windows Platform (UWP) apps. Please note that install counts for this software may be underrepresented, and this can lead to utilization percentages greater than 100%.
